Father of the Four Passages Oct 25 2020 A bold new novel about the redemptive power of love Hailed by Jamie James in *The Atlantic Monthly* as "one of the most

original voices on the literary scene," Lois-Ann Yamanaka is back with a novel about family and forgiveness. The Distant Land of My Father Dec 19 2022 An ambitious man and his adoring daughter are separated and estranged by an ocean and by the tides of history in this “marvelous” novel (Los Angeles Times). For Anna Schoene, growing up in the magical world of Shanghai in the 1930s creates a special bond between her and her father. He is the son of missionaries, a smuggler, and a millionaire who leads a

charmed but secretive life. When the family flees to Los Angeles in the face of the Japanese occupation, he chooses to stay, believing his connections and luck will keep him safe. He's wrong—but he survives, only to again choose Shanghai over his family during the Second World War. Anna and her father reconnect late in his life, when she finally has a family of her own, but it is only when she discovers his extensive journals that she is able to fully understand him and the reasons for his absences. *The Distant Land of My Father* is a “beautiful” novel “for everyone who has ever felt himself in exile from any beloved place, or a time that can never return” (The Washington Post Book World). “Seamlessly weaves together Anna’s own memories with those of her father, gleaned from the journals . . . An elegant, refined story of families, wartime, and the mystique of memory.” —Kirkus Reviews “Vivid with details of prewar Shanghai and Los Angeles.” —Publishers Weekly “Lush and epic.” —San Jose Mercury News “Remarkable . . . A moving tale of love and the possibility of forgiveness.” —Library Journal

52 Reasons to Hate My Father Oct 05 2021 Being America's favorite heiress is a dirty job...but someone's gotta do it. Lexington Larrabee has never had to work a day in her life. After all, she's the heiress to the multi-billion-dollar Larrabee Media empire. And heiresses are not supposed to work. But then again, they're not supposed to crash

brand-new Mercedes convertibles into convenience stores on Sunset Boulevard either. Which is why, on Lexi's eighteenth birthday, her ever-absent, tycoon father decides to take a more proactive approach to her wayward life. Every week for the next year, she will have to take on a different low-wage job if she ever wants to receive her beloved trust fund. In Jessica Brody's hilarious "comedy of heiress" about family, forgiveness, good intentions, and best of all, second chances, Lexi learns that love can be unconditional, money can be immaterial, and regardless of age, everyone needs a little saving. Her Father's House Jul 14 2022 Beloved storyteller Belva Plain understands the rich tapestry of the human heart like no other. Her many dazzling New York Times bestsellers probe the shifting bonds of marriage and family with insight, compassion, and uncommon grace. And her new novel is no exception. A tale of fathers and daughters, lovers and families, acts of love and acts of betrayal, *Her Father's House* is Belva Plain's most powerful and unforgettable novel yet. It is the spring of 1968 when

Donald Wolfe, a young graduate of a midwestern law school, arrives in New York. Filled with ambition and idealism, he is dazzled not only by the big city but by the vivacious, restless Lillian, whom he marries in the heat of infatuation. Surely theirs is no marriage made in heaven, but they have a child, Tina, and she is the love of Donald's heart. For her he would give up everything--his home, his distinguished career, and his freedom. When his flawed marriage begins to fail, a choice must be made. Shall he consider a step that would force him into flight and a life of hiding? From her earliest years, Tina is exceptional, a brilliant student and a joyous, loving spirit. At the university she falls in love with Gilbert, who graduates from law school just as she is about to enter medical school. Together they go to New York, where she learns the truth about her family's past, a truth that must change her regard for the father who has protected and cherished her. When a terrible lie has been told out of love, can it be forgiven? With courage and compassion, Belva Plain paints a moving portrait of the choices that shape the course of our lives, the secrets that haunt us, and the love that helps us heal and move on. It is a work of riveting storytelling and rare emotional power by one of the most gifted novelists of our time.

The Suicide Index Jun 01 2021 National Book Award Finalist: "Wickersham has journeyed into the dark underworld inside her father and herself and emerged with a powerful, gripping story." —The Boston Globe One winter morning in 1991, Joan Wickersham's father shot himself in the head. The father she loved would never have killed himself, and yet he had. His death made a mystery of his entire life. Who was he? Why did he do it? And what was the impact of his death on the people who loved him? Using an index—the most formal and orderly of structures—Wickersham explores this chaotic and incomprehensible reality. Every bit of family history, every encounter with friends, doctors, and other survivors, exposes another facet of elusive truth. Dark, funny, sad, and gripping, at once a philosophical and a deeply personal

exploration, *The Suicide Index* is, finally, a daughter's anguished, loving elegy to her father.

Notes on Grief Jan 16 2020 From the globally acclaimed, best-selling novelist and author of *We Should All Be Feminists*, a timely and deeply personal account of the loss of her father. "Essential." —Booklist *Notes on Grief* is an exquisite work of meditation, remembrance, and hope, written in the wake of Chimamanda Ngozi Adichie's beloved father's death in the summer of 2020. As the COVID-19 pandemic raged around the world, and kept Adichie and her family members separated from one another, her father succumbed unexpectedly to complications of kidney failure. Expanding on her original *New Yorker* piece, Adichie shares how this loss shook her to her core. She writes about being one of the millions of people grieving this year; about the familial and cultural dimensions of grief and also about the loneliness and anger that are unavoidable in it. With signature precision of language, and glittering, devastating detail on the page—and never without touches of rich, honest humor—Adichie weaves together her own experience of her father's death with threads of his life story, from his remarkable survival during the Biafran war, through a long career as a statistics professor, into the days of the pandemic in which he'd stay connected with his children

and grandchildren over video chat from the family home in Abba, Nigeria. In the compact format of *We Should All Be Feminists* and *Dear Ijeawele*, Adichie delivers a gem of a book—a book that fundamentally connects us to one another as it probes one of the most universal human experiences. *Notes on Grief* is a book for this moment—a work readers will treasure and share now more than ever—and yet will prove durable and timeless, an indispensable addition to Adichie's canon.

The Glass Castle Oct 13 2019 A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

First They Killed My Father Dec 07 2021 Repackaged in a new tie-in edition to coincide with the Netflix film produced and directed by Angelina Jolie, a moving story of war crimes and desperate actions, the unnerving strength of a small girl and her triumphant spirit as she survived the Cambodian genocide under Pol Pot's brutal regime. Until the age of five, Loung Ung lived in Phnom Penh, one of seven children of a high-ranking government official. She was a precocious child who loved the open city markets, fried crickets, chicken fights, and sassing her parents. While her beautiful mother worried that Loung was a troublemaker—that she stomped around like a thirsty cow—her beloved father knew Loung was a clever girl. When Pol Pot's Khmer Rouge army stormed into Phnom Penh in April 1975, Ung's family fled their home and moved from village to village to hide their identity, their education, their former life of privilege. Eventually, the family dispersed in order to survive. Loung trained as a child soldier in a work camp for orphans, while other siblings were sent to labor camps. As

the Vietnamese penetrated Cambodia, destroying the Khmer Rouge, Loung and her surviving siblings were slowly reunited. Bolstered by the shocking bravery of one brother, the courage and sacrifices of the rest of her family—and sustained by her sister's gentle kindness amid brutality—Loung forged on to create for herself a courageous new life. Harrowing yet hopeful, insightful and compelling, this story is truly unforgettable.

My Father is a Book Mar 18 2020 Bernard Malamud was one of the most accomplished American novelists of the postwar years. From the Pulitzer Prize winner *The Fixer* as well as *The Assistant*, named one of the best "100 All-Time Novels" by Time Magazine—to mention only two of the more than a dozen published books—he

not only established himself in the first rank of American writers but also took the country's literature in new and important directions. In her signature memoir, Smith explores her renowned father's life and literary legacy. Malamud was among the most brilliant novelists of his era, and counted among his friends Philip Roth, Saul Bellow, Theodore Roethke, and Shirley Jackson. Yet Malamud was also very private. Only his family has had full access to his personal papers, including letters and journals that offer unique insight into the man and his work. In her candid, evocative, and loving memoir, his daughter brings Malamud to vivid life.

Percival Christopher Wren (1875-1941) was an English writer, mostly of adventure fiction. His novels and short stories mostly deal with colonial soldiering in Africa. suggestions that Wren himself served with the legion. The Father Tom Mysteries: Books 4-6 Apr 11 2022 A Small-Town Amateur Sleuth Mystery Romance Series Boxset This is a boxset of books 4-6 in The Father Tom Mysteries. Meet Father Tom Greer and Detective Helen Parr, former lovers reunited after twenty years, as they solve crimes old and new--and explore the profound mysteries of the human heart. The Buried Bride (Book 4)--With the Archbishop's blessing, Helen and I are spending Lent building a relationship built on love--but without physical intimacy. And yes, it's as hard as it sounds. But this penitential

season, I have other work to do. I need to rebuild my relationship with the families of St. Clare's after neglecting my duties as their shepherd. I must confess my sins to them, and ask their forgiveness. With these two tasks, I expected this Lent to be the longest of my life. But I didn't expect to be fighting to stay out of prison. The Defining Decision (Book 5)--After the astonishing news from the Archbishop, Helen and I are looking forward to possibly having a life together as husband and wife. That is, if the Holy Father grants me permission. While awaiting word from the Vatican, we're getting to know each other more deeply. Going out on dates, spending time together, talking about what our life together will be like if we're allowed to marry. All of this under Anna's watchful eye, and being very careful to keep things secret. But then Gladys runs over the President of Myer College's chief of staff. What looks like a tragic accident takes a bizarre turn when drugs are found in his system. Is the young genius I consider a daughter guilty of murder, or is she being set up by someone from her past? The Silent Shooter (Book 6)--The Pope's decision to allow us to marry captures the imagination of the entire world. Finally, after having to hide our relationship from all but a few close friends, we can openly proclaim our love for each other, and celebrate with our parish family our future lives together. But not everyone, it seems, is happy with our plans. First come the letters, threatening Helen with divine justice if she

persists in her plans. Then, on live television, someone takes a shot at us. It soon becomes apparent that someone's decided to stop us at any cost. But Helen already knows who wants her dead. It's someone from her past as a Detective in Washington, D.C. A serial killer who sees himself acting as God's instrument to kill impure women. With little to go on besides the letters of a lunatic and a possible connection between the killer and a fanatic priest with his own agenda, we're in a race against time to find a killer--before the killer finds us first. Keywords: Murder, Mystery, Contemporary, Small Town, Forbidden Romance, Taboo, Priest, Amateur Sleuth, Woman Detective, Catholic Church, Celibacy, Father Brown, Platonic Friendships, Second-Chance, Family Secrets, Later-in-life, serial killer, cold case, Authors: G.K. Chesterton, Louise Penny, Melissa Storm, Solomon Carter, Veronica Black, Levi Fuller, Christy Barritt, Dominika Best, Willow Rose, Clare Chase, Sage Parker, James Runcie Mary, A Fiction and The Wrongs of Woman, or Maria Jan 28 2021 Mary

Wollstonecraft wrote these two novellas at the beginning and end of her years of writing and political activism. Though written at different times, they explore some of the same issues: ideals of femininity as celebrated by the cult of sensibility, the unequal education of women, and domestic subjugation. Mary counters the contemporary trend of weak, emotional heroines with the story of an intelligent and creative young woman

who educates herself through her close friendships with men and women. Darker and more overtly feminist, *The Wrongs of Woman* is set in an insane asylum, where a young woman has been wrongly imprisoned by her husband. By presenting the novellas in light of such texts as Wollstonecraft's letters, her polemical and educational prose, similar works by other feminists and political reformists, the literature of sentiment, and contemporary medical texts, this edition encourages an appreciation of the complexity and sophistication of Wollstonecraft's writing goals as a radical feminist in the 1790s.

All for Her Mar 30 2021 On December 18, 2017, Pope Francis declared that Father Patrick Peyton, C.S.C., lived a life of heroic virtue and gave him the title "venerable," marking another step closer to sainthood for the "Rosary Priest." This new edition of Peyton's biography tells the story of his life and dedication to the Blessed Mother as he discerned his vocation, overcame the obstacles of advanced tuberculosis and lack of education, and became a priest who eventually preached to more than 28 million people worldwide, worked with Hollywood stars, and founded Family Rosary and Family Theater Productions. This new edition of Peyton's autobiography—originally published in 1967 and reissued in a revised edition in 1997—includes black-and-white photos and a new foreword by Holy Cross Family Ministries president Fr. Willy

Raymond, C.S.C., reflecting on Peyton's legacy as a saint for family prayer and his cause for canonization. Meet one of the newest candidates for sainthood: a priest who was formed by his own family's Rosary devotion—and his formation as a Holy Cross priest—to promote peace and unity across the globe through family prayer.

Peyton—probably best known for the inspirational phrases “the family that prays together stays together” and “a world at prayer is a world at peace”—encouraged family prayer and devotion to the Rosary throughout his ministry. In his autobiography, the Rosary Priest reflects on his journey from a farm boy in Western Ireland to one of the most effective missionaries of the modern age. In *All for Her* Peyton describes his travels to America, hoping to become a millionaire and instead finding work as a janitor in the Scranton cathedral, where he realized the call to the priesthood. In 1929, Peyton entered the seminary, but after years of study and training he was diagnosed with advanced tuberculosis. Conventional treatments at the time were not working. He prayed to the Virgin Mary and his health quickly began to improve. In gratitude he committed his vocation to promote devotion to the Blessed Mother and the Rosary. On the day of his ordination as a priest in the Congregation of Holy Cross, Peyton said, “I gave my heart and soul in love to Mary. I promised her all the merit of my priesthood until death. The merit and glory of every action I would ever perform would be hers

and hers alone.” Peyton immediately began advocating for the practice of family Rosary devotion. He embraced the new media as a means to reach people across the globe, and developed radio and television programs that spread a message of prayer and family unity. He founded Family Theater Productions in 1947. Performers in his productions included such stars of Hollywood’s golden age as Bing Crosby, Grace Kelly, Gregory Peck, and Lucille Ball. Peyton also preached to millions in person, organizing two hundred-sixty Rosary Crusades across the globe. These large rallies included worship, prayer, and benediction. Peyton continued to be active until the 1990s and died in 1992. In 1997, the cause for his canonization was opened. All for Her is part of Ave Maria Press’s Holy Cross series. These books explore and celebrate the history and spiritual vision of the Congregation of Holy Cross, a religious order of priests, brothers, and sisters founded in France in 1837 by Blessed Basil Moreau, C.S.C., who was beatified in 2007. Included in the series are works of biography, spirituality, and devotion.

Dreams from My Father Nov 06 2021 #1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS

In this iconic memoir of his early days, Barack Obama “guides us straight to the intersection of the most serious questions of identity, class, and race” (The Washington Post Book World). “Quite extraordinary.”—Toni Morrison

In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother’s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father’s life, and at last reconciles his divided inheritance.

Praise for *Dreams from My Father* “Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride’s *The Color of Water* and Gregory Howard Williams’s *Life on the Color Line* as a tale of living astride America’s racial categories.”—Scott Turow

“Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither.”—The New York Times Book Review

“Obama’s writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of *There Are No Children Here* “One of the most powerful books of self-discovery I’ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.”—Charlayne Hunter-Gault, author of *In My Place* “Dreams from My Father is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white.”—Marian Wright Edelman

Raising Happiness Nov 18 2022 What do we wish most for our children? Next to being healthy, we want them to be happy, of course! Fortunately, a wide array of scientific studies show that happiness is a learned behavior, a muscle we can help our children build and maintain. Drawing on what psychology, sociology, and neuroscience have proven about confidence, gratefulness, and optimism, and using her own chaotic

and often hilarious real-world adventures as a mom to demonstrate do's and don'ts in action, Christine Carter, Ph.D, executive director of UC Berkeley's Greater Good Science Center, boils the process down to 10 simple happiness-inducing steps. With great wit, wisdom, and compassion, Carter covers the day-to-day pressure points of parenting—how best to discipline, get kids to school and activities on time, and get dinner on the table—as well as the more elusive issues of helping children build healthy friendships and develop emotional intelligence. In these 10 key steps, she helps you interact confidently and consistently with your kids to foster the skills, habits, and mindsets that will set the stage for positive emotions now and into their adolescence and beyond. Inside you will discover • the best way avoid raising a brat—changing bad habits into good ones • tips on how to change your kids' attitude into gratitude • the trap of trying to be perfect—and how to stay clear of its pitfalls • the right way to praise kids—and why too much of the wrong kind can be just as bad as not enough • the spirit of kindness—how to raise kind, compassionate, and loving children • strategies for inspiring kids to do boring (but necessary) tasks—and become more self-motivated in the process Complete with a series of “try this” tips, secrets, and strategies, Raising Happiness is a one-of-a-kind resource that will help you instill joy in your kids—and, in the process, become more joyful yourself.
