Will some students ever learn from their mistakes? We hope not! This all-new collection of hilarious, totally wrong, real test answers serves a fresh batch of A+ wit misapplied to F- quiz scores. A little studying would reveal that the most powerful light source known to man isn't "lightsabers," nor do we salt the roads when it snows "to

make them taste better." But where's the fun in that? From the same wellspring of failure as the million-selling F in Exams series, this special pop quiz collection will amuse and entertain anyone preparing to face down a test paper as well as those just glad to be far away from a classroom. EXAMS! Just the word is enough to bring you out in a muck sweat. We've all been there, staring at the paper, wondering what it means, and if we'll get extra marks for a funny answer or just pelters and an 'F' for F'un Eejit-Heid Failure. F'un Exams is a hilarious collation of exam answers that most of us would have liked to have made, just for the hell of it. In Home Ec, for instance, the question, 'Name three typical Scottish dishes' got the answer, 'A cup, a plate, and a wee saucer with a chip out of it.' Was that you? So reminisce, step back into the exam hall, and have a laugh at the true and allegedly true howlers in F'un Exams. And if it wasn't you that gave these answers, you'll wish it was.
